Work Requested:

Annual Maintenance (freshen) Return old parts Pre-Dyno Engine (\$75.00)

Special Instructions:

Include any special parts desired ie: 120 flywheel or offset key, etc.; Be specific about any problems with the engine.

Please note: Due to limited space and in order to decrease our liability exposure, engines need to be shipped as soon as possible once they are finished. A \$5.00 per day storage charge will be added to all invoices for engine(s) not shipped or picked up within 15 days of notification of completion. Payment in full is expected when work is completed. We accept cash, money orders, and all major credit cards.

A damaged engine will not win any races. Ziggy's Motorworks will not return any engine in an inappropriate shipping container that risks damage to the engine. Any engine shipped in a container considered unsuitable will be returned to the customer in a Ziggy's reusable shipping frame and a \$65 frame deposit charged.

Please note: **All fluids must be drained** before shipping an engine. If a shipper determines the contents of a package could be hazardous, they may not deliver. Additionally, if an engine arrives covered in oil, a cleaning charge may be included on your invoice.
